INDICE

Dal 1988 - Since 1988

La fotografia cattura la luce, compresa la luce riflessa, diffusa, trasmessa e diretta, dando vita ad un'immagine. La luce è linfa vitale di un'immagine e la fotografia ti fa sentire quella luce. La fotografia è potente. La fotografia può cambiare le visioni del mondo.

Eppure è solo quando qualcuno mostra quella bellezza che le sensazioni prendono vita, ed è qui che la cornice fotografica rappresenta il naturale complemento all'opera d'arte, creando armonia, generando emozione.

Proprio questo amore ha nutrito e fatto crescere negli anni la nostra esperienza.

Trent'anni di costanti aggiornamenti, volando nelle maggiori capitali europee e mondiali di pari passo con i trend, ci hanno permesso di costruire rapporti personali e commerciali solidi con produttori, fornitori e clienti, facendo della **ZEP** s.r.l. oggi, il partner d'elite ideale nel settore dei complementi alla fotografia.

Photography captures light, including reflected, diffused, transmitted and direct light, giving life to an image. Light is the lifeblood of an image and photography makes you feel that light. Photography is powerful. Photography can change world visions. But only when someone shows that beauty sensations became life, and photographic frame represents the natural complement of this art, creating harmony, generating emotion.

This is the love which made our experience grow over the years. Thirty years keeping on updating with the Trends, flying in the major european and world capitals, have allowed us to build solid personal and commercial relationships with producers, suppliers and customers, making **ZEP** s.r.l. today, the ideal elite partner in the photography complements sector.

"Frame highlights work, the intelligence the man"
(Anonym)

Business spirit and family values are the basis of a heterogeneous working group where everyone brings their skills in order to provide a professional and more performing support to the customer.

"La cornice mette in risalto l'opera, l'intelligenza l'uomo".

(Anonimo)

Spirito d'impresa e valori familiari sono alla base della creazione di un gruppo di lavoro eterogeneo, di persone di diverse età ed esperienze, ove ognuno apporta le proprie competenze nel quotidiano al fine di fornire un supporto professionale e prestazionale al cliente.

Grazie alla collaborazione con una fitta rete di partner selezionati, **ZEP** s.r.l. gestisce con professionalità tutti gli articoli, sia import che export in tutta EUROPA. Il personale operativo e commerciale lavorando in stretta sinergia, studia e consiglia la soluzione più adatta a seconda della necessità dei clienti. Il risultato è un'accurata gestione delle spedizioni ed il rispetto delle tempistiche.

Thanks to the cooperation with many selected partners, **ZEP** s.r.l. manages import and export of items throughout EUROPE. The company staff works in close synergy, providing the most suitable solution according to the needs of the customers. The result is an accurate management of the shipments and the respect of the timing.

"Right from the start I tried hard to listen to the needs of my customers, so as to understand their expectations, their deepest needs and be able to anticipate them today" explains Mrs. Maria Catterina Zanon - CEO of **ZEP** s.r.l.

"On this I founded my professionalism and together with family and my collaborators, we have created what today stands as a leading company in the photography complements sector".

A creative team, daily in contact with the customer, designs and studies ad hoc solutions, creating frames and unique solutions, paying attention to details.

The half-yearly update of the catalog and the related inventory replenishment, make our collection one of the most complete and varied in the sector.

"Sin da subito ho cercato con il massimo impegno di ascoltare le esigenze dei miei clienti, così da carpirne le aspettative, le necessità più profonde e riuscire oggi ad anticiparle" spiega la Sig.ra Maria Catterina Zanon – legale rappresentante della **ZEP** s.r.l.

"Su questo ho fondato la mia professionalità e insieme alla mia famiglia e ai miei collaboratori abbiamo dato vita a quella che oggi si pone come azienda leader nel settore dei complementi alla fotografia."

Un team creativo, quotidianamente a contatto con il cliente progetta e studia soluzioni ad hoc, creando cornici personalizzate e soluzioni uniche, ponendo attenzione ai particolari.

L'aggiornamento semestrale del catalogo ed il relativo riassortimento di magazzino, decretano la nostra collezione come una delle più complete e variegate del settore.

DECORAZIONE IN METALLO • DECORACIÓN DE METALES • METAL DECORATION • METALLDEKORATION

The advertisement for Wall Art Vintage Decor features a collage of images. On the left, a living room interior with a sofa, a small table with a lamp, and several circular wooden wall art pieces. In the center, a hand holds a smartphone displaying the Wall Art Vintage Decor website. The phone screen shows a QR code, the brand logo "Wall Art Vintage DECOR", and various product images like a "KICKS! 55" sign and a "ROUTE 66" sign. To the right, another hand holds up a large "ROUTE 66" sign. The background of the ad shows a blurred interior space with a checkered floor and some furniture.
